Compose an original jazz composition in a late bop style with an original harmonic structure (not borrowed from pre-existing standard progressions). The composition is to be written for the format of 4 rhythm section players, including piano, guitar, bass and drums, and two horns, typically in unison or at the octave. Horn parts and four concert lead sheets are required (pencil copies or photo copies are acceptable if they are neat). **Required length of the composition is 24 to 32 measures**, in a conventional 3 or 4 part sectional format. [Refer to the assignment sheet on blackboard for due dates]

Grading is based upon the following factors:
1) Melodic/harmonic structural unity
2) Stylistic authenticity
3) Creativity

Class members will record the compositions for final grading evaluation. The instructor will provide class members CD copies of the compositions before the end of the semester.

Overt plagiarism will automatically disqualify the student with a failing grade in the class in accordance with university policy.

Late Penalty Policies for Homework Assignments and Theory Midterm

If theory and ear training assignments, or the theory midterm, are one calendar day late, a 5% penalty will be incurred. If an assignment or theory midterm is turned in two calendar days late, a 10% penalty will be given. If any of these items are three calendar days late, don't bother turning them in, they will not be accepted. The grade assigned will be an F with "0" points.

Specific Directions for Turning in Late Assignments

Assignments turned in one day (or two days) late must be turned in to the music department office and must be date stamped by office personnel. They will, in turn, put it in my mailbox. Assignments not date stamped will be assumed to have been turned in on whatever date that the instructor checks his mailbox. This could mean the difference between a passing and failing grade, so please, have your work date-stamped!

Assignments may be turned in digitally by midnight on the day it is due without incurring a late penalty (ie., a pdf or jpeg). You must also submit a physical copy of the assignment.
Remember, the music department office is closed on Fridays.
**The theory final exam must be turned in on the assigned due date. Unlike the late policies for assignments and the theory midterm, there is no grace period for the theory final.**

### Attendance Policy

Good attendance is critical to a student's success in this type of sequential class. I will record attendance each class day, starting from the second week of class. Each student is allowed three absences during the course of the semester without penalty. Any absences after that will incur a 1% penalty from the total grade (per absence). This policy is in affect from the third class meeting through the end of the semester.

Exception will only be given for verifiable family or health emergencies.

### Students with Disabilities

If you are a student with a disability and believe you will need accommodations for this class, it is your responsibility to contact Student Disability Services at (619) 594-6473. To avoid any delay in the receipt of your accommodations, you should contact Student Disability Services as soon as possible. Please note that accommodations are not retroactive, and that accommodations based upon disability cannot be provided until you have presented your instructor with an accommodation letter from Student Disability Services. Your cooperation is appreciated.

**Note:** To advance to Elements of Jazz IV (Music 466) a student must receive a letter grade of no less than C.
