- 80-89% B
- 70-79% C or Credit
- 60-69% D or No Credit
- <60% F or No Credit

Incomplete (I): If portion of the coursework has not been completed and evaluated due to unforeseen, but fully justified reasons, there is a possibility of earning credit. This grading option will be used when a student is unable to complete practical requirements for the course due to illness, injury, or emergency situation. The missed assignments will typically be made up in the following semester but no later than one calendar year immediately following the end of the term in which the incomplete grade is assigned.

Withdrawal Unauthorized (WU): This indicates you enrolled in the course, did not withdraw from the course but did not complete the requirements. It is typically used when a student stops coming to class and therefore misses a significant number of assignments, course activities, or both.

Expectations and Class Policies

Daily Participation:

This class is designed to provide students with a mix of theoretical concepts and practical experience. You will be expected to participate in each day’s activities since the best way for you to develop practical knowledge is to experience the movements. Your participation is critical.

Participation points may be deducted if the following are not adhered to:

- Wear proper attire (active wear allowing freedom of movement, socks and closed toed athletic shoes)
- Be on time for class and stay for the entire class
- Be physically engaged in activity demonstrating sincere effort for all tasks
- Demonstrate respectful behavior at all times and be supportive of your classmates
- Cell phones must be turned off and put away during class
- No food or beverages other than water in closed container
- Demonstrate “Good Sporting” behavior at all times (e.g. be courteous to your classmates and your instructors; avoid swearing and putting others down). Students not demonstrating good sporting behavior will be asked to leave and will not receive credit for the day.

Absence Policy:

- Attendance is required every class period.
- Students will be given two unexcused absences for class that meets 2 times/week without being penalized and that do not need to be made up.
- If a student misses more than maximum unexcused absence(s), they will need to complete a make-up or bonus assignment, if available, from the instructor to make up points.
- Absences due to illness, which is documented by the University Health Center or from a personal physician, will not be penalized and these absences will be considered excused. If you are sick (contagious, running a fever) or have injured yourself (rolled your ankle, twisted your knee) and are unable to attend but have not gone to the doctor, you need to contact the instructor to confirm an excused absence. Instructor may require documentation. Students should notify the instructor of any injury or long-term medical condition as soon as possible.
• Students need to notify the instructor regarding absences that will occur during the semester due to religious observances or university sponsored activities. Students will not be penalized for these absences and they will be excused if instructor is notified in advance.
• If you know you have a demanding schedule and are likely to have a spotty attendance record for this class, please consider taking the class for credit/no credit grading or for non-credit (if applicable).

Assignments:
• All assignments are due in class on designated submission date given in syllabus or by instructor.
• Failure to submit assignments on time will result in a daily penalty of 10% with no credit awarded for the assignment after one week past due unless previously arranged.
• Complete all work independently unless it is a group assigned project.

Other Policies:
• All students in credit classes are expected to adhere to university and Aztec Recreation policies and conduct standards.
• If student is injured during class, immediate notification of instructor is required.
