Dear Jane —

You have been extremely helpful to me during my tenure as your County Supervisor. I deeply appreciate your support.

The May 31st fundraiser attracted nine hundred supporters. That was the campaign kickoff for the 1988 election.

I need you to help me raise the money necessary for a successful campaign. Please join me for hosted breakfast on Saturday, January 9, 1988, at 9 AM at the Radisson Hotel in Oxnard.

Because I know you are busy, the time and energy required for this fund-raising activity will be minimal.

Sincerely,

John Flynn
