Mr. Paul E. Wolven  
City Manager  
City of Oxnard  
P.O. Box 1192  
Oxnard, California 93030

Dear Mr. Wolven:

Subject: Project CAL 31-F  
Driffill Park Senior Citizen Housing Project

In response to your letter dated August 31, 1973 this office has placed under review the City's request to have funding priority assign the Driffill Park Senior Citizen Housing Project.

As you know funds to subsidize eligible housing projects, including public housing, have been under strict budgetary control since January 5, 1973. Accordingly, the Department has not issued any "Approval to Proceed" since that date, an action prerequisite to the allocation of Annual Contribution Contract funds.

In the case of your project, review steps are being taken to fulfill the requirement for attaining "special" project consideration. As soon as reviews have been completed by those Department divisions having interest in your project, we will advise you immediately regarding final disposition.

We thank you for again bringing your concern to our attention and should you desire further information please contact Mr. Dallas A. Martin the Program Manager for your area.

Sincerely,

John E. Bonkoski  
Director  
Operations Division
